Baldwin and Studebaker also staged to a fair come-back, rising 1 1-4 and 3 7-4 points, respectively, heavy buying of the latter again reviving reports of an extra dividend at next week's meeting I Speculative expectation that the quarterly report of the United States Steel I

Speculative expectation that the quarterity report of the United States Steel
corporation next week will show up
hore favorably than those of independant companies found expression in a
point rise in that stock, which again
grossed 198.

Railroad shares generally were highas but the gains were less than those
in industrials, presumably because the
short interest was not as extensive.
Rasling wise one of the most active,
gaining a point, while New York Central, Lehigh Valley, Atlantic Coast
Line and Southern Pacific registered
advances of substantial fractions.
Some of the individual strong e-pots
were Corn Products, General American
Tank Car, American Locomotive, AllisChalmers, Lima Locomotive, Lorilard
Tobacco, National Biscuit, United States
Industrial Alcohol, and Virginia Carrolina Chemical, all up 1 2-4 to 5 points,
American Express, Peoples' Gas, Chienme Pneumatic Tool, Railway Steel
Spring, Norfolk and Western preferred
and U. S. Rubber first poeferred were
keary.
Total males were 226,006 shares,
Call money opened and renewed at 5
1-2 per cent but cased off to 5 in the
farily afternoon and held at that figure
homey was brisk with no change in
rates. The commercial paper market
was quistly firm.

A much improved tone was noted in
the foreign exchange market, local
basics and dealers again determining
the course of prices. Demand sterling
fees from \$1.44 1-2 to \$4.66 and French
sheeks, which had fallen to \$.36 earlier
in the week again crossed 7.60 cents
